PROMISSORY NOTE

\$30,746,812.33 May 31, 2017

THIS PROMISSORY NOTE (this "Note") is in substitution for and supersedes in their entirety each of those certain promissory notes described in Exhibit A hereto, from NexPoint Advisors, L.P., as Maker, and Highland Capital Management, L.P. as Payee (collectively, the "Prior Notes"), together with the aggregate outstanding principal and accrued and unpaid interested represented thereby.

FOR VALUE RECEIVED, NEXPOINT ADVISORS, L.P. ("Maker") promises to pay to the order of HIGHLAND CAPITAL MANAGEMENT, L.P. ("Payee"), in legal and lawful tender of the United States of America, the principal sum of THIRTY MILLION, SEVEN HUNDRED FORTY SIX THOUSAND, EIGHT HUNDRED TWELVE AND 33/100 DOLLARS (\$30,746,812.33), together with interest, on the terms set forth below. All sums hereunder are payable to Payee at 300 Crescent Court, Suite 700, Dallas, Texas 75201, or such other address as Payee may specify to Maker in writing from time to time.

- 1. <u>Interest Rate</u>. The unpaid principal balance of this Note from time to time outstanding shall bear interest at the rate of six percent (6.00%) per annum from the date hereof until Maturity Date (hereinafter defined), compounded annually on the anniversary of the date of this Note. Interest shall be calculated at a daily rate equal to 1/365th (1/366 in a leap year) of the rate per annum, shall be charged and collected on the actual number of days elapsed, and shall be payable annually.
- 2. <u>Payment of Principal and Interest</u>. Principal and interest under this Note shall be payable as follows:
 - 2.1 <u>Annual Payment Dates</u>. During the term of this Note, Borrower shall pay the outstanding principal amount of the Note (and all unpaid accrued interest through the date of each such payment) in thirty (30) equal annual payments (the "<u>Annual Installment</u>") until the Note is paid in full. Borrower shall pay the Annual Installment on the 31st day of December of each calendar year during the term of this Note, commencing on the first such date to occur after the date of execution of this Note.
 - 2.2 <u>Final Payment Date</u>. The final payment in the aggregate amount of the then outstanding and unpaid Note, together with all accrued and unpaid interest thereon, shall become immediately due and payable in full on December 31, 2047 (the "<u>Maturity Date</u>").
- 3. <u>Prepayment Allowed; Renegotiation Discretionary</u>. Maker may prepay in whole or in part the unpaid principal or accrued interest of this Note. Any payments on this Note shall be applied first to unpaid accrued interest hereon, and then to unpaid principal hereof.
- 4. <u>Acceleration Upon Default</u>. Failure to pay this Note or any installment hereunder as it becomes due shall, at the election of the holder hereof, without notice, demand, presentment, notice of intent to accelerate, notice of acceleration, or any other notice of any kind which are hereby waived, mature the principal of this Note and all interest then accrued, if any, and the same

shall at once become due and payable and subject to those remedies of the holder hereof. No failure or delay on the part of Payee in exercising any right, power or privilege hereunder shall operate as a waiver thereof.

- 5. <u>Waiver</u>. Maker hereby waives grace, demand, presentment for payment, notice of nonpayment, protest, notice of protest, notice of intent to accelerate, notice of acceleration and all other notices of any kind hereunder.
- 6. <u>Attorneys' Fees</u>. If this Note is not paid at maturity (whether by acceleration or otherwise) and is placed in the hands of an attorney for collection, or if it is collected through a bankruptcy court or any other court after maturity, the Maker shall pay, in addition to all other amounts owing hereunder, all actual expenses of collection, all court costs and reasonable attorneys' fees and expenses incurred by the holder hereof.
- 7. <u>Limitation on Agreements</u>. All agreements between Maker and Payee, whether now existing or hereafter arising, are hereby limited so that in no event shall the amount paid, or agreed to be paid to Payee for the use, forbearance, or detention of money or for the payment or performance of any covenant or obligation contained herein or in any other document evidencing, securing or pertaining to this Note, exceed the maximum interest rate allowed by law. The terms and provisions of this paragraph shall control and supersede every other provision of all agreements between Payee and Maker in conflict herewith.
- 8. <u>Governing Law</u>. This Note and the rights and obligations of the parties hereunder shall be governed by the laws of the United States of America and by the laws of the State of Texas, and is performable in Dallas County, Texas.
- 9. <u>Prior Notes.</u> The original of each of the Prior Notes superseded hereby shall be marked "VOID" by Payee.

NexPoint Advisors, L.P. 300 Crescent Court, Suite 700 Dallas, Texas 75201 Attention: James Dondero

Re: Demand on Promissory Note

Dear Mr. Dondero,

On May 31, 2017, NexPoint Advisors, L.P, entered into that certain promissory note in the original principal amount of \$30,746,812.33 (the "Note") in favor of Highland Capital Management, L.P. ("Payee").

As set forth in Section 2 of the Note, accrued interest and principal on the Note is due and payable in thirty equal annual payments with each payment due on December 31 of each calendar year. Maker failed to make the payment due on December 31, 2020.

Because of Maker's failure to pay, the Note is in default. Pursuant to Section 4 of the Note, all principal, interest, and any other amounts due on the Note are immediately due and payable. The amount due and payable on the Note as of January 8, 2021 is \$24,471,804.98; however, interest continues to accrue under the Note.

The Note is in default, and payment is due <u>immediately</u>. Payments on the Note must be made in immediately available funds. Payee's wire information is attached hereto as **Appendix A**.

Nothing contained herein constitutes a waiver of any rights or remedies of Payee under the Note or otherwise and all such rights and remedies, whether at law, equity, contract, or otherwise, are expressly reserved. Interest, including default interest if applicable, on the Note will continue to accrue until the Note is paid in full. Any such interest will remain the obligation of Maker.

Sincerely,
